Credit Renewal Requirements

The Philadelphia Water Department will only review completed credit renewal applications. An application is complete when all of the required supporting documents are received.

Required Information:

All of the following must be provided with this application (check if attached)

NRCS- Curve Number Open Space (GA Credit)

- Recent site photos
- Written summary of all changes to the property conditions since date of last credit request

Impervious Area Reduction (IAR)

- Recent photos of all roof disconnection, pavement disconnection, and tree canopy credit areas
- Written summary of all changes to the property conditions since date of last credit request

Managed Impervious Area (IA/GA Credit)

- Written summary of all changes to the property conditions since date of last credit request

- For Stormwater Management Practices: Inspection reports, labeled photo log, and a record of maintenance activity for each SMP. Template inspection forms can be found here:
<http://www.phila.gov/WATER/WU/STORMWATER/Pages/NonResidentialStormwaterBilling.aspx>

- For Surface Water Discharge: Recent photos of surface water discharge drainage areas and all stormwater conveyance and outflow system components

NPDES Credit

- Copy of current NPDES Industrial Stormwater discharge Permit
- Copy of the results of the required PADEP *Discharge Monitoring Report* from the previous twelve (12) months

Send the completed application, fee, and supporting documentation to:
Philadelphia Water Department
